AVAILABLE SPONSORSHIP OPPORTUNITIES (a/o 3/1/17)

Sponsorships help you market your company's brand during the Conference, while also getting your company special recognition that it deserves before the industry's key players. A variety of events and branded items are available for sponsorship to help your company maximize its conference experience. FSCNY will work with sponsors to develop a program that meets their marketing and public relations goals while providing a wide range of benefits, depending on the level of sponsorship, including:

- Credit line and/or logo recognition in programs, brochures, promotional e-blasts, conference webpage, video screens prior to conference sessions, and other printed materials dedicated to FSCNY's 25th Annual Conference & Exposition
- Priority booth placement in the Exhibit Hall
- Verbal recognition at Conference events
- A complimentary insertion of your company's marketing brochure in the attendee conference bag distributed at the Conference
